DHIYA EHSAN

UX & Digital Design Undergraduate

London, UK • +44 7304 494052 • itsyayaehsan@gmail.com

PROFILE

User Experience Design undergraduate at University of the Arts London with experience in user-informed product development, digital storytelling, visual design and collaborative creative delivery. Applied observation of accessibility-related needs to develop a practical product concept for students with special educational needs. Brings international, customer-facing experience and proficiency in Figma, Miro and Adobe creative tools. Interested in designing clear, inclusive and trustworthy digital experiences, including financial services.

RELEVANT EXPERIENCE

UAL Student Ambassador — University of the Arts London, London College of Communication | Oct 2026 - Now

- Lead campus tours during open days, welcoming prospective students and introducing them to the university experience.
- Represent and promote UAL/LCC to prospective students, answering questions and communicating the benefits of studying there.
